

The diagram shows a page layout with three distinct regions. At the top, a small red dotted oval contains the word 'SINGLE'. Below it, a large black triangle with a dashed red border points downwards, labeled 'SAFETY MARGIN'. In the center, a black triangle with a dashed red border points upwards, labeled 'BLEED AREA'. At the bottom, a large black triangle with a dashed red border points upwards, labeled 'CUT AREA'. The entire page is enclosed in a solid red rounded rectangle. Dashed red lines extend from the corners of the page towards the center, meeting at the vertices of the triangles.

SINGLE

SAFETY MARGIN

KEEP ALL IMPORTANT
INFORMATION IN THIS AREA
OR IT MAY BE CUT OFF

BLEED AREA

MAKE SURE THE ARTWORK FILLS
ALL OF THE BLACK AREA END TO
END WITH NO WHITE BORDERS

CUT AREA

THIS IS THE AREA THAT WILL BE
CUT FOR THE FINAL PRODUCT
